  ➢ 16-141: Approval of Young Life College as an ASUPS Club
    ❖ The ASUPS Senate hereby approves Young Life College as an official
      ASUPS club.
  ➢ New Business
    ➢ 16-202: Finance Allocation to Women’s Ultimate Frisbee
      ❖ The ASUPS Senate hereby allocates $150.00 to Women’s Ultimate Frisbee for
        their national conference.
      ❖ Vice President Bauer shares that the ASUPS Exec has been approved to give
        Women’s Ultimate Frisbee Team money and the money does have other
        purposes and after a lot of discussions this amount is do-able with the
        bottom line. The contingency fund is not for Senate but for ASUPS as a
        whole. Women’s Ultimate Frisbee has ~$4,000 in their budget considering
        their fundraising and this amount would subsidize approximately $65 per
        player. This is additional to the $1700 allocated last Senate.
