Dear ASUPS Candidate,

Thank you for your interest in becoming an ASUPS Senator. The ASUPS Leadership Team is excited for your enthusiasm and interest in ASUPS and we're looking forward to hearing your ideas and vision for ASUPS and your Senate position.

This packet contains important information and necessary election materials. Please note the election timeline, which outlines several important dates for you to be aware of. **Of particular interest is the mandatory interest meeting on September 13th at 6pm in the ASUPS Programmers Office, Wheelock 204** If you have a conflict with this meeting, please reach out to me ahead of time, otherwise you will not be able to run.

I would recommend looking through the ASUPS Constitution, By-Laws, and Financial Code that can all be found in the ASUPS Office as well as online.

Being elected as an ASUPS officer is a great privilege. You will be a part of an organization whose purpose is to serve the student body and holds a large amount of power in representing student voices to the administration and Board of Trustees. That is why we ask that as a candidate, you take this election and your respective responsibilities seriously. Being a part of ASUPS is a yearlong obligation, and as an elected official you are expected to treat this opportunity with a serious and steadfast work ethic.

Finally, one quick reminder is necessary: **until the required amount of signatures on the votes of confidence form is submitted, campaigning in any form is strictly forbidden.** If you have any questions that you feel cannot be thoroughly answered by reading the Elections Guidelines, feel free to reach out!

Please don't hesitate to reach out with any questions during the election process.

Best of Luck!

ASUPS Fall 2017 Election Guidelines

In order to ensure this election is fair and of high quality, the ASUPS Senate and the Elections Committee have enacted the following procedural guidelines. These guidelines provide a minimum standard for campaign practices.

The petition will include the signatures and names of each signee, and *must be turned in before campaigning*. The number of required signatures depends on the position for which the candidate is running as outlined below.
 1. The signing of a petition merely indicates support for the petitioner's candidacy and it is not a pledge to vote for that individual. Students can sign as many petitions as they want.

- D. **Eligibility** – All Senatorial and Executive Candidates must be full-time students, as defined by the University of Puget Sound, at the time of the general election. Candidates must have a cumulative GPA of 2.0 or higher and must be verified by the Dean of Students office. First-semester freshmen are excluded from the GPA requirement.
- E. **Write-in Candidates** – If the requirements as outlined in Section I are not met by the given deadlines, a student has the option to run as a write-in candidate. In

addition to all of the above stated requirements, a write-in candidate must further comply with the following guidelines.

1. Write-in candidates must follow the same rules (below) and are subject to the same consequences of all other candidates (below).
