Dear ASUPS Candidate,

Thank you for your interest in becoming an ASUPS Senator or executive. Getting involved in ASUPS has been one of the highlights of my experience at Puget Sound and I am so glad you're considering getting involved! The ASUPS Leadership Team is excited for your enthusiasm and interest in ASUPS and we're looking forward to hearing your ideas and vision for ASUPS.

This packet contains important information and necessary election materials. Please note the election timeline, which outlines several important dates for you to be aware of.

I would recommend looking through the ASUPS Constitution, By-Laws, and Financial Code that can all be found in the ASUPS Office as well as online. If you find the documents to be overwhelming, don't stress about it. Neither Amanda nor I felt confident about them until we were in these positions. You'll have plenty of time to familiarize yourself with them!

Being elected as an ASUPS officer is a great privilege. You will be a part of an organization whose purpose is to serve the student body and holds a large amount of power in representing student voices to the administration and Board of Trustees. That is why we ask that as a candidate, you take this election and your respective responsibilities seriously. Being a part of ASUPS is a yearlong obligation, and as an elected official you are expected to treat this opportunity with a serious and steadfast work ethic.

Finally, one quick reminder is necessary: **until the required amount of signatures on the votes of Recognition of Candidacy form is submitted, campaigning in any form is strictly forbidden.** If you have any questions that you feel cannot be thoroughly answered by reading the Elections Guidelines, please call the ASUPS Office at x3274 or email me personally at [asupsvp@pugetsound.edu](mailto:asupsvp@pugetsound.edu). I am usually pretty quick with emails, but please feel free to call or text me (cell phone number below) if you need a more timely response.

Please don't hesitate to reach out with any questions during the election process.

Best of Luck!

Jenna Mobley, ASUPS Vice President

## What do ASUPS Executives and Senators even do?

If you ask nearly any of the student leaders in ASUPS what they do, they may not have a definitive answer for you. This is because most of your responsibilities, as an elected representative of the student body, are somewhat flexible and most of the work is what you make of it.

The best resource for you is the person currently holding the position you're running for. They're going to know what needs to be done and what can be done within your position. You, of course, have some freedom in what you actually do, but they will be able to tell you the day-to-day responsibilities and the power you actually have in your position. That being said, there are some time commitments that are required of Senators and Executives.

To help you get a sense if you're even interested in the position, we've have assembled a general overview of the positions. Again, this is just a snapshot of the position. For more information, reach out to the current senator or executive holding the position.

### **ASUPS President**

The ASUPS President is the “Chief Executive Officer” of ASUPS as an Organization. The responsibilities of the President include working closely with Administration and the Board of Trustees. The President is largely responsible for the vision of ASUPS for the year, so this may include working with students on projects or initiatives that align with the vision of ASUPS. Much of the work includes meetings and carrying our larger projects. The President and the Vice President must work closely to make many of the hiring, financial and operational decisions in ASUPS. The President is expected to remain on campus for the majority of Summer 2018.

### **ASUPS Vice President**

The ASUPS Vice President is the “Chief Operations Officer” of ASUPS as an organization so their responsibilities are more administrative-based. The Vice President is responsible for the ASUPS budget, which entails working closely with Club leaders, ASUPS Programmers, and ASUPS Media Heads. This position involves the hiring and supervising of many student staff members and works closely with the Office of Finance and Human Resources. The Vice President must work closely with the President to make many of the hiring, financial and operational decisions in ASUPS. The Vice President is expected to remain on campus for the majority of Summer 2018.

### **ASUPS Senators**

ASUPS Senators make up the legislative branch of ASUPS. Senators are responsible for attending weekly Formal and Informal Senate meetings and also are responsible for Senate Projects. These have included the advocating for the University paying for DACA Renewal Fees, the Self-Help Station at the Info Desk and advocating for merit aid to be applied to Study Abroad. Senators also sit on ASUPS committees.

## ASUPS Spring 2018 Election Guidelines

In order to ensure this election is fair and of high quality, the ASUPS Senate and the Elections Committee have enacted the following procedural guidelines. These guidelines provide a minimum standard for campaign practices.

### I. Requirements to Run

- A. **Recognition of Candidacy** – Each candidate must have a petition that includes a certain number of signatures in order to run for that office. The petition will include the signatures and names of each signee, and *must be turned in before campaigning*. The number of required signatures depends on the position for which the candidate is running as outlined below.
  1. The signing of a petition merely indicates support for the petitioner's candidacy and it is not a pledge to vote for that individual. Students can sign as many petitions as they want.
  2. Signature Requirements for Recognition of Candidacy.
    - a. **Class Senators (Sophomore, Junior, Senior)** – 30 signatures from members of their class.
    - b. **Senator at Large** – 40 signatures total.
    - c. **Executives** – 50 signatures total
    - d. **Off-Campus Housing Senator** – 20 signatures from members living off campus.
    - e. **On-Campus Housing Senator** – 20 signatures from members living in on-campus houses.
- B. **Interviews** – Each candidate must formally interview the person who is currently holding or has held their position for candidacy in order to better understand the position for which they are running. A verification form, signed by the Senator interviewed, must be turned in along with other materials by Friday, February 9<sup>th</sup> for the candidate's name to appear on the ballot.
- C. **Affirmation of Understanding** – All Senatorial candidates must affirm that they have read and understood these Elections Guidelines before they may be eligible to participate in the Spring 2018 Elections.
- D. **Eligibility** – All Senatorial and Executive Candidates must be full-time students, as defined by the University of Puget Sound, at the time of the general election. Candidates must have a cumulative GPA of 2.0 or higher and must be verified by the Dean of Students office.
- E. **Write-in Candidates** – If the requirements as outlined in Section I are not met by the given deadlines, a student has the option to run as a write-in candidate. In addition to all of the above stated requirements, a write-in candidate must further comply with the following guidelines.
  1. Write-in candidates may speak at scheduled specific speaking times, but will be announced at the speaking events only by their name and not by the position they are running for.

2. Write-in candidates must follow the same rules (below) and are subject to the same consequences of all other candidates (below).

1. Campaign spending includes all cash, goods, and services at the fair market value, as determined by the Elections Committee, provided for and utilized in support of a candidate's election. This is to include all new materials at the purchased rate and/or fair market value on all previously owned materials used in support of the candidate during the campaign. See attachment for a list of current fair market value prices for many basics as determined by the Elections Committee.
  2. Senate candidates may spend no more than fifty (50) dollars; and

  4. All candidates are required to submit a complete accounting sheet of campaign expenditures within 24 hours of the close of polls in order to validate the elections.
  5. Any non-print based publicity (i.e. websites, KUPS announcements) must be approved by the Elections Committee and value placed by the committee prior to action.

These complaints may be submitted after three weeks have elapsed following the election; afterwards no complaints will be received by the ASUPS Vice President or the Elections Committee.
  - 2. All complaints will be addressed equally by the criteria outlined below.
  - 3. The Committee will determine the validity of any election complaint, basing its decision on the ASUPS Constitution, By-Laws, Election Guidelines, and the discretion of the committee, and may decide whether or not to call an emergency meeting to handle complaints based on the severity of the complaint.
